Leadership Skills Development Program Shows you how to Evaluate and Develop Leadership Skills

course code: M9350 From: 17 November - 5 December 2024 Venue: Istanbul (Turkey) - Radisson Blu Sisli course Fees: 6750 Euro

Program Overview

In this program you will learn about...

Leadership skills are among the hardest to assess or measure objectively. Typically, senior executives will trust their own instincts when judging leadership ability - making it difficult to implement a company-wide program of training and improvement.

This program covers the methodology for

1. determining which competencies are required for leadership success
2. measuring the performance of the company's employees
3. need to develop leadership skills at all levels
4. development of improvement plans for leadership skills.
