Building Skills for Working in Teams: Igniting Passion & Activating Potential in Teams

course code: M1130 From: 6 - 17 April 2025 Venue: Casablanca (Morocco) - course Fees: 3750 Euro

Introduction

A truth about life is our interdependence. Everything we accomplish within an organization is through the efforts of people working together. In spite of our technological advances, our competitive advantage lies in our ability to work effectively with other people.

The premise of this program is that organizations are much more healthy and productive when their relationships are strong and people work together. In a highly interactive environment, team members enjoy their work while learning principles and skills to ensure that they communicate, resolve conflicts, solve problems, make decisions and maintain a positive work environment. In this course we will cover:

- Fundamentals of high performance teams
- Giving and receiving effective feedback
- Group dynamics and team decision making
- Team problem solving and conflict resolution
- Time management

Objectives

- Study effective team operations
- Analyze effective communications strategies
- Understand how to give and receive effective feedback
- Consider effective team dynamics and decision making
- Explore team problem solving and conflict resolution mechanisms
- Examine time management and personal productivity

Training Methodology

Building Skills for Working in Teams consists of five modules containing lecture content, skill assessments, participative discussions, video presentations and delegate exercises in order to create high impact training. The program is designed to be dynamic and highly interactive as well as educational. The primary focus is to provide delegates with concepts and methods which they can put to immediate use in the workplace.

Organisational Impact

- Higher levels of team performance
- Improved communications
- More effective feedback and resultant clarity of issues

- Higher quality team decision making
- Constructive resolution of conflicts
- Higher levels of organizational productivity

Personal Impact

- Heightened team player skills
- Elevated communication skills
- Sharpened influencing skills
- Improved decision making abilities
- Increased effectiveness in dealing with conflict
- Greater levels of personal productivity
