025

Paris (France)

# New Product Launch Using Marketing Communication: Proven Strategies and Techniques

course code: R5022 From: 30 December 2024 - 3 January 2025 Venue: Paris (France) - course Fees: 4500 Euro

## Program Objectives:

### By the end of the program, participants will be able to:

- Examine all aspects of the New Product Development (NPD) process, its importance, and factors influencing stages involved in successful NPD.
- Identify a variety of launch success factors that will improve launch process planning and execution.
- Suggest ways for companies to avoid launch ruts by adopting techniques that appeal to today's consumers.
- Understand the importance of using media vehicles to ignite the product launch process and increase the viability of the new product.
- Prepare product launch checklists and budgets to overcome roadblocks and smoothen the launch process.

## This Program is designed for:

All staff concerned with their organization's growth and profitability. This could include Business Development Managers; Marketing; Sales Product and Brand Managers; R & D Managers and Personnel; Managing Directors and Directors over a wide range of business areas; and everyone involved in Strategy Planning. This program is worth 25 NASBA CPEs.
