

The Complete Course on Management (Certified Manager)

16 - 20 December 2024

London (UK)

The Complete Course on Management (Certified Manager)

course code: M1047 From: 16 - 20 December 2024 Venue: London (UK) - course Fees: 4500 Euro

The Course

In a fast paced ever-changing world the demands on a manager are steadily increasing. To be effective a manager must possess a wide array of skills which can be used to carry out his responsibilities and successfully accomplish the organisation's goals.

Successful managers realise that they must constantly sharpen their skills and add to the competencies they already possess. To sit still and be content means running the risk of becoming obsolete.

This programme will provide delegates:

- Insight into the process of further developing their managerial skills
- A close examination of the principles of self management, leadership management and team management
- Understanding on how to develop a strategic corporate response for effective business initiatives
- Identify management best practices and principles that lead to productivity
- Understand the process of performance improvement

The Goals

This program aims to enable participants to achieve the following objectives:

- Develop new managerial skills and techniques by recognise key factors in self management
- Consider how to manage the implementation of change
- Learn how to deal with workplace conflict while understanding the influence of style diversity
- Determine the basis of effective team performance
- Examine creative techniques for effective problem solving

The Complete Course on Management is best suited for:

- Business leaders expected to develop and supervise employees and others through implementing managerial criteria
- Make decisive decisions within the organization that effect productivity and the bottom line
- Employees needing to accelerate growth and achieve critical business success.

The Process

This programme will utilise a combination of presentations, group exercises, videos and class discussions in order to examine in an in depth fashion all the elements of the programme content. The emphasis will be on creating an in depth appreciation and understanding of the art of management. Activities, hands-on interactions, group participation, videos, role-playing, and case studies are used to highlight concepts taught and allow participants to practice the material.

The Benefits

In this program delegates will learn how to:

- Increase the level of motivation
- Sharpen your present management skills
