

Strategic Purchasing & Supply Management

31 March - 4 April 2025

London (UK)

Strategic Purchasing & Supply Management

course code: C8106 From: 31 March - 4 April 2025 Venue: London (UK) - course Fees: 4500 Euro

The Conference

World-class organizations view the application of best practices in purchasing as being essential skill sets needed by all employees involved in the procurement process. This course focuses on the common “gaps” in performance that must be filled in order for Supply Management to provide the continuous improvements needed for organizations to meet their strategic objectives.

This Conference develops how to be proactive rather than reactive in procurement activities and how to be working on the “right” things that display Purchasing’s creativity, flexibility, and supply market knowledge. We establish how to provide and measure purchasing contributions to the organization so that this critical function and all those in it can be elevated to be seen as a core organization competency.
