Leadership, Creativity and Peak Performance

course code: C8089 From: 14 - 25 October 2024 Venue: London (UK) - course Fees: 4500 Euro

The Conference

In today's modern corporation, the leader needs to draw from the well of intellectual capital within their sphere of influence to facilitate productivity and steady growth. Principles and techniques on how leaders do that today are included in this unique programme in order to provide the delegate with the essential tools to groom his/her people. These best practice techniques are taken from all areas of business and cultures to provide the delegate with a clear path to putting together a successful organization.

This course allows delegates to understand the best strategies and techniques to adopt in various workplace situations. The ability to strategize and convey organizational goals through effective communication is crucial towards achieving peak performance. Long term success relies on strong leadership within the organization.

This conference covers these key areas:

- Developing effective communication
- Influence and motivate others through exemplary leadership
- Techniques to delegate and empower followers
- Understanding your preferred leadership style
- Building an innovative culture

The Goals

- Determine best practices of leaders through history and how to apply them today.
- Articulate an understanding of what leadership means for in your business.
- Explain your leadership capabilities and areas for personal development.
- Determine your role as an effective leader in any organization.
- Develop strategies for creating a positive work environment that fosters leadership and a commitment to continuous improvement in others.

The Process

The seminar will combine presentations with interactive practical exercises so participants can learn the dynamics of leadership styles. Delegates will be encouraged to participate actively in discussions of the case studies for leadership styles and creativity in the workplace, team exercises to develop innovation and creativity, videos to illustrate key learning points, sharing past experiences with other participants to exchange knowledge, and practicing key concepts through role playing.

The Benefits
