The Conference

If you look at the most successful people within any organisation, you will notice that they all have a high level of self confidence, The ability to be strong, assertive and confident is a key skill that is needed by anybody who wishes to raise their profile and move to higher levels within the business.

- The ability to put your point across strongly in a meeting
- The be assertive when necessary
- The ability to say NO, when needed
- The ability to confidently stand and speak to a group of people
- The ability communicate your confidence to others
- The ability to stand your ground

It is a proven fact that your Level of personal self confidence will impact greatly on your business success, this course is designed to for all people who wish to boost up their confidence and assertiveness so that they can lead people more effectively.

The higher you move up the organisation the more important it is to be seen as strong and confident and assertive, this course is a crash course in building these key skills so that you progress upwards within the organisation.

The Goals

By the end of this seminar you will be able to:

- Speak to groups in a way that will inspire and motivate them
- Put your message across assertively in business meetings
- Get people to buy into your ideas
- Win around doubter's and people who disagree
- Say NO
- Speak with passion and confidence
- Project confidence and credibility to those you work with
- See a dramatic increase in your level of self confidence

The Process

The seminar is highly interactive, and will require participation from all that attend, a mixture of lecture, group discussion, practical exercises, people will be taught how to communicate to groups and have the chance to practice.

The Benefits

Participants will gain a noticeable increase in self confidence. And be able to communicate with confidence in all business situations, run more effective meetings, sell their ideas more easily, influence people at all levels, and be more dynamic. This will help them to be noticed by people at higher levels, and raise their profile within the organisation.

The Results

Modern organisations need their employees to be able to sell their ideas, run effective meetings and motivate their teams to achieve the goals of the business, people returning from this course will have a higher level of self confidence, and will be trained to communicate assertively and professionally. Because of this increase in self confidence you will see the participant return with more enthusiasm and be willing to take more risks.
