

Managing Health and Safety in the Workplace

30 March - 3 April 2025

Kuala Lumpur (Malaysia)

Managing Health and Safety in the Workplace

course code: C8151 From: 30 March - 3 April 2025 Venue: Kuala Lumpur (Malaysia) - Royale chulan hotel course Fees: 4500 Euro

Conference Objectives:

By the end of the program, participants will be able to:

- Define the sources of harmful acts.
- Understand and accept that safety is a function whereby everyone is responsible.
- Establish that accidental injuries are caused by unsafe acts, behavior and conditions.
- Perform job safety analysis and give job safety instructions.
- Conduct an accident investigation and fill a meaningful accident report.
- Handle and react to various work accidents and emergencies.

This conference is designed for:

Managers, supervisors and safety professionals who wish to improve their skills and competencies in order to be able to assume their safety responsibilities and effectively carry out their tasks safely in their organization. This program is worth 25 NASBA CPEs.
