Effective People Skills

course code: M1079 From: 5 - 9 May 2025 Venue: London (UK) - course Fees: 4500 Euro

The Course

All businesses in the current climate need a competitive edge. This can be gained through innovative and exciting products and services, or through effective and efficient world class employees.

Top performing organisations are passionate about their most valuable resource - their staff. In order to maintain their high standards a large proportion of their time and energy is spent on continuous professional development, not only of their employees, but of their business.

This highly interactive 5-day Communication and Interpersonal Skills programme investigates the tried and trusted management processes, procedures and methodology used by many blue chip companies. They use the tools to develop high levels of performance from their staff. This in turn ensures the future and reputation of their companies through innovative development, service and evaluation. This course offers participants practical solutions to work related issues.

During the workshop you will explore a variety of behaviours, discuss leadership styles and learn how to get the most out of your staff by using state of the art techniques such as Neuro Linguistic Programming (NLP), Emotional Intelligence and psychometric testing.

This course will give you the knowledge and understanding you need to move forward with enthusiasm and assurance. You will feel able to build a productive and cohesive unit, establishing strong working relationships with people at all levels. As you gain in experience and confidence, you will be recognised as an able and supportive supervisor and colleague.

The Goals
