#### INTRODUCTION

Mastering Supervisory Skills is an exciting and interactive programme designed to help experienced and second-level supervisors take stock of their roles and to develop the skills and approach they need to perform effectively in the modern organisation.

#### **PROGRAMME OBJECTIVES**

- extend their understanding of the supervisor's role and the processes of managing up, down and across the organisation
- develop a strategy for enhancing the effectiveness of their teams
- develop a strategy to support and develop the performance of each member of their staff
- review their personal working practices and managerial style

#### TRAINING METHODOLOGY

Mastering Supervisory Skills offers a programme which is highly interactive and gives everybody an opportunity to exchange views and learn from each other's experiences. The programme also includes a range of case studies, management games and simulations, discussion exercises, self-assessment instruments and video training films.

#### **PROGRAMME SUMMARY**

Mastering Supervisory Skills covers a wide range of topics relating to the supervisor's role. The programme recognises that supervisors not only have to manage their teams but also have to operate in a wider organisational context getting things done through, with and for other teams and departments.
