

New Product Launch Using Marketing
Communication: Proven Strategies and Techniques

13 - 17 January 2025

London (UK)

New Product Launch Using Marketing Communication: Proven Strategies and Techniques

course code: R5022 From: 13 - 17 January 2025 Venue: London (UK) - course Fees: 4500 Euro

Program Objectives:

By the end of the program, participants will be able to:

- Examine all aspects of the New Product Development (NPD) process, its importance, and factors influencing stages involved in successful NPD.
- Identify a variety of launch success factors that will improve launch process planning and execution.
- Suggest ways for companies to avoid launch ruts by adopting techniques that appeal to today's consumers.
- Understand the importance of using media vehicles to ignite the product launch process and increase the viability of the new product.
- Prepare product launch checklists and budgets to overcome roadblocks and smoothen the launch process.

This Program is designed for:

All staff concerned with their organization's growth and profitability. This could include Business Development Managers; Marketing; Sales Product and Brand Managers; R & D Managers and Personnel; Managing Directors and Directors over a wide range of business areas; and everyone involved in Strategy Planning. This program is worth 25 NASBA CPEs.
