

The Management & Leadership Development Programme

31 March 2025 - 2025 A

Baku (Azerbaijan)

The Management & Leadership Development Programme

course code: M1105 From: 31 March 2025 - 2025 April 11 Venue: Baku (Azerbaijan) - course Fees: 6750 Euro

Introduction:

A management position requires the holder to perform a number of roles simultaneously: strategist, team-builder, innovator, decision-maker, mentor and leader. Success at a management level involves integrating the requirements of these roles with confidence and assurance. This uniquely designed course offers existing Supervisors, Team Leaders & professionals, and those being prepared for promotion to a senior level, the opportunity to develop the awareness, understanding, knowledge and skills which will enable them to maximise their performance and success in today's fast-changing and demanding business environment.

It will help Supervisors, Team Leaders & professionals answer the following questions:

- What are my leadership strengths and weaknesses?
- What can I do to mitigate the weaknesses?
- How can I improve my emotional intelligence?
- What can I do to lead my people more effectively?
- How can I develop a vision for my area of responsibility?
- What is strategy, and how do I plan for the future?
- Is there a proven process for planning and change?
- How do I ensure that I can implement what gets planned?

The seminar is split into two modules:

- MODULE I - Leading with Emotional Intelligence: Psychology of Leadership (Certified Leader)
- MODULE II - Strategic Planning and Goal Setting: Setting Business Goals, Targets & Deliverables (Certified Planner)
- Each module is structured and can be taken as a stand-alone course; however, delegates will maximise their benefits by taking Module 1 and 2 back-to-back as a two-week seminar.

Objectives

By the end of this programme you will be able to:

- Gain an honest and accurate awareness of Yourself
- Monitor and adapt your own emotions and behaviours for your benefit and that of your Team & Department
- Have a positive influence on the emotions and motivation of others
- Create an atmosphere that fosters emotional intelligence
- Adaptability in dealing with different personalities
- Understand and apply the psychology of leadership
- To study the design of visionary strategic plans
- To consider how to translate strategic plans into action plans
- To examine a model for organisational self-assessment
- To provide insights into strategic planning problems to avoid
- To highlight examples of strategic success and failure
- To understand the nature of the organisational life cycle
- To provide insights into productive contingency planning

Training Methodology:

The seminar will combine tutor-led presentations with interactive practical exercises, supported by video material and case studies. Delegates will be encouraged to participate actively in relating the principles of emotional intelligence and strategic planning to the particular needs of their workplace.

Organisational Impact:

- Improve teamwork and teambuilding skills through greater emotional intelligence
- Enhance cooperation through better relationship building skills
- Develop a emotionally intelligence work environment
- More efficient allocation of resources
- Greater flexibility in the organisation
- Improved operating performance

Personal Impact:

- Learn how to cultivate emotional intelligence competencies
- Effectively manage your own emotions & emotions of others
- Personal growth as an emotionally intelligent leader
- Understand the different personality styles
- Sharper focus on the challenges and opportunities of the future
- More creative and transforming strategic plans
