# Compensation Packages and Salary Structure

course code: H3041 From: 30 September - 11 October 2024 Venue: Tbilisi (Georgia) - course Fees: 4500 Euro

## INTRODUCTION

Successful management and motivation of employees is clearly linked to employee reward systems. There is much correlation between organisational success and effective reward systems, demonstrating that how employees are rewarded should be linked directly to their overall value to the organisation.

This programme, Compensation Packages and Salary Structures focuses on the essential elements of employee reward, proposes an holistic approach to reward systems and provides delegates with sufficient input to get started in this fascinating area of HR.

## PROGRAMME OBJECTIVES

- Discuss the concepts of reward systems
- State the elements of reward systems
- State the purpose of reward systems from the organisational and employee perspectives
- Compare different types of salary and pay structures
- Consider the impact of performance related pay
- State the uses of different types of benefits and allowances
- List factors impacting on International pay and expatriate rewards

## PROGRAMME SUMMARY

This programme will allow participants to explore a complete overview of the topic. From the initial introduction we will explore various issues in sufficient detail to allow participants to consider the implementation of new modern approaches into their organisations and weigh up the potential benefits and advantages of each approach. The highly practical approach will enable participants to focus on issues that impact most on them and their organisations.
